1988-89 SUMMARY

THIS SUMMARY is designed to enable you to understand the function of the levies and values of each taxing district approved by voters of Marion County and the procedures used to arrive at these figures.

AD VALOREM TAXATION is a tax based on Assessed Value of your Real and Personal Property, unless otherwise provided by state law, to provide the services to Schools, City and County Government, Fire Protection Districts, Park Districts and Community Colleges.

THE ASSESSOR DOES NOT TAX, but values your property through methods prescribed by state laws and regulations, so that all property will be assessed equitably. He does not determine the taxing districts you may be in. He does not control the amount of money your taxing districts require. You should take an active interest in local budget meetings and elections. The total dollar amount of the property tax levy is determined by the budget committee or voters of the various taxing districts of the county. A property's assessed value only indicates the owner's proportionate share of local government expenses.

THE TAX RATES are expressed in dollars per thousand of assessed valuation. The tax is determined by multiplying the assessed value of the property by the tax rate for the code area in which the property is located.

THE 1988 ASSESSED VALUE is 100% of true cash value, which is determined by the Department of Revenue.

THE ANNUAL ASSESSMENT DATE is January 1st of each year. The fiscal year commences July 1st and ends June 30th of the following year. July 1st is the effective tax lien date for real property, and January 1st is the tax lien date for Personal Property.

  
DOUGLAS J. EBNER  
MARION COUNTY ASSESSOR
